- **When do I Enroll/Waive in the Plan?** The annual waiver deadline is 9/13/14 for all domestic undergraduate matriculated students, all international students and all law students. If you do not waive out of the plan prior to September 13, 2014, you may not waive the insurance later during the 2014-2015 school year and the premium for the plan will remain on your fall semester tuition bill. Once you are enrolled in the plan, there are no refunds.
- **Please note:** If you waive out of the plan for the year prior to September 13, 2014, you may not enroll in the plan later during the 2014-2015 school year without experiencing a "Qualifying Life Event". This means that the loss of coverage is no fault of your own or the policyholder's (i.e. you get married or become ineligible to be on a family plan). You will be eligible to enroll **within thirty days** of this "Qualifying Life Event" by providing proof of coverage termination. After thirty days, you will no longer be eligible to enroll.

Please read the certificate of coverage to determine whether this plan is right for you before you enroll. The certificate of coverage provides details of the coverage including costs, benefits, exclusions, any reductions or limitations and the terms under which the coverage may be continued in force.

Copies of the certificate may be viewed and downloaded at www.firststudent.com.
