## **Eligibility**

---

All full-time undergraduate and graduate students (except executive program students) are automatically enrolled in this insurance Plan at registration, unless proof of comparable coverage is furnished. All J-1 and J-2 exchange visitors at Tulane are eligible to enroll in this insurance Plan. All other students taking at least six credit hours are eligible to enroll in this insurance Plan. The six hour requirement is not applicable to students classified as dissertation students, graduate assistants, teaching assistants, research assistants, or students having less than six hours to complete their degree requirements. Students enrolled only as distance learning students (internet, etc.) are not eligible for the insurance plan.

Students must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the Eligibility requirements that the student actively attend classes. The Company maintains its right to investigate Eligibility or student status and attendance records to verify that the policy Eligibility requirements have been met. If the Company discovers the Eligibility requirements have not been met, its only obligation is to refund premium.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's spouse, husband or wife, or Domestic Partner and dependent children or grandchildren who meet the limits of a Dependent set forth in the Dependent definition. See the Definitions section of the Certificate for the specific requirements needed to meet Domestic Partner eligibility.

Dependent Eligibility expires concurrently with that of the Insured student.

## **Effective and Termination Dates**

---

The Master Policy on file at the school becomes effective at 12:01 a.m., \*August 19, 2013. The individual student's coverage becomes effective on the first day of the period for which premium is paid or the date the enrollment form and full premium are received by the Company (or its authorized representative), whichever is later. The Master Policy terminates at 11:59 p.m., August 18, 2014. Coverage terminates on that date or at the end of the period through which premium is paid, whichever is earlier. Dependent coverage will not be effective prior to that of the Insured student or extend beyond that of the Insured student. Refunds of premiums are allowed only upon entry into the armed forces.

The Policy is a Non-Renewable One Year Term Policy.

### **Early Arriving Students\***

- 7/1/2013
- 7/15/2013

## **Extension of Benefits After Termination**

---

The coverage provided under the Policy ceases on the Termination Date. However, if an Insured is Hospital Confined on the Termination Date from a covered Injury or Sickness for which benefits were paid before the Termination Date, Covered Medical Expenses for such Injury or Sickness will continue to be paid as long as the condition continues but not to exceed 90 days after the termination date.

The total payments made in respect of the Insured for such condition both before and after the Termination Date will never exceed the Maximum Benefit.

After this "Extension of Benefits" provision has been exhausted, all benefits cease to exist, and under no circumstances will further payments be made.

## **Pre-Admission Notification**

---

UnitedHealthcare should be notified of all Hospital Confinements prior to admission.

1. **PRE-NOTIFICATION OF MEDICAL NON-EMERGENCY HOSPITALIZATIONS:** The patient, Physician or Hospital should telephone 1-877-295-0720 at least five working days prior to the planned admission.
2. **NOTIFICATION OF MEDICAL EMERGENCY ADMISSIONS:** The patient, patient's representative, Physician or Hospital should telephone 1-877-295-0720 within two working days of the admission to provide notification of any admission due to Medical Emergency.

**IMPORTANT:** Failure to follow the notification procedures will not affect benefits otherwise payable under the policy; however, pre-notification is not a guarantee that benefits will be paid.

## **Student Health Center (SHC) Referral Required - Students Only**

Expenses incurred for medical treatment rendered outside of the Student Health Center for which no prior approval or referral is obtained will be paid at the Out-of-Network level of benefits as specified in the Schedule of Benefits. A referral issued by the SHC must accompany the claim when submitted. Only one referral is required for each Injury or Sickness per Policy Year.
