

How to **ENROLL** or **WAIVE** the School-sponsored Injury and Sickness Insurance Plan

It's as easy as 1-2-3!

Eligibility Requirements

Good health is essential to your academic success. That's why Pacific University requires all students taking one or more credit hours to carry personal health insurance. If you are currently enrolled in a health insurance plan that provides comparable coverage to the school-sponsored plan, and that will be in effect through the end of the school year, you may be able to waive the automatic enrollment into the school-sponsored plan by following the steps at right.

1
2
3

Have your school ID number at hand.

Go to: StudentCenter.uhcsr.com/pacificu

Follow the prompts and answer the questions.

It's that simple! To **Enroll** so you can use your coverage, click the "Enrollment Form" link at the bottom of the page. You'll need to click the appropriate code for coverage dates of your program. After you complete your enrollment form, go to www.uhcsr.com/pacificu to create your *My Account* and get your ID card.

If you wish to **Waive** coverage, follow the above steps, but click the "Waiver Form" link. You'll need your current insurance information at hand, too. When you finish, you'll see whether your waiver is accepted or denied. If denied, you'll get an email with instructions on any appeals process. The approval email you receive should be kept for your records.

If you have any questions, contact WSC Insurance; 2000 Pacific Avenue; Forest Grove, OR 97116; 503-357-3154 or 800-357-3134 if outside of the Portland metro area; or email info@wscinsurance.com.
