

As an international student, you have enough to worry about while you're away from home. Access to quality health care shouldn't be one of them. Thankfully, UnitedHealthcare **StudentResources** offers a great solution.

With a national network of providers, you can be assured of access to quality medical care while you're in the US. Our Student Injury and Sickness Insurance Plan is available to international students studying at Minnesota Community & Technical Colleges.

The plan includes UnitedHealthcare Global, which offers global assistance services like medical evacuation and repatriation, as well as medical assistance when you're outside of your home country.

Our online tools and mobile app give you 24/7 easy access to your plan information and assistance. On www.uhcsr.com, we have excellent resources that are especially beneficial to foreign nationals, like "Health Insurance 101" which helps explain American health insurance and includes a glossary of terms available in Arabic, Chinese, French, Korean, and Spanish. Our customer service phone lines offer translation service for over 160 different languages.
