

2017–2018 Student Injury and Sickness Insurance Plan for International Students of the Kansas Board of Regents

Student Letter

Dear Student:

The Kansas Board of Regents (KBOR) in cooperation with the Regents Institutions of the State of Kansas, is pleased to offer to students and their dependents, a Blanket Injury and Sickness Insurance Plan underwritten by UnitedHealthcare Insurance Company and Administered by UnitedHealthcare **StudentResources**.

Preferred Providers are members of the UnitedHealthcare Choice Plus Network. Additionally, for Pittsburg State University students, Via Christi Hospital is a Preferred Provider. These providers offer you superior access to a choice of qualified physicians, hospitals, and Preferred Provider network programs nationwide, while reducing the costs of your medical care with rates that are usually much lower than normal charges.

If you choose to seek treatment from an out-of-network provider, your benefits may be reduced.

F-1 International students and J-1 Exchange Visitors are required to have health insurance and must either enroll in this plan or show proof of health insurance coverage in an alternative plan that meets their university's requirements. We encourage you to carefully read the entire booklet to familiarize yourself with the available plan and benefits. Any questions about this plan should be directed to UnitedHealthcare **StudentResources** at 1-888-344-6104.

Who is eligible to enroll?

The Master Policy covers students and their eligible Dependents who have met the Policy's eligibility requirements (as shown below) and who:

1. Are properly enrolled in the plan, and
2. Pay the required premium.

F-1 International students and J-1 Exchange Visitors are required to have health insurance and must either enroll in this plan or show proof of health insurance coverage in an alternative plan that meets their university's requirements.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse and dependent children under 26 years of age. Dependent coverage must be applied for by completing the Enrollment Form and by paying the required premium. Dependent Eligibility expires concurrently with that of the Insured student. Dependents that are not in the country at the time the student enrolls will be eligible to be enrolled in coverage within 30 days of entering the country.

The student (Named Insured, as defined in this Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
 - a. On the date the Named Insured acquires a legal spouse.
 - b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of this Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.

How do I enroll?

International students with F-1 and J-1 visas are required to participate in this plan unless proof of other insurance is provided. The premium for coverage will be added to the tuition billing of those International Students attending Emporia State, Fort Hays State, University of Kansas, Kansas State University, Wichita State, and Pittsburg State who do not show proof of coverage that is accepted by the university.

All students and all dependents complete enrollment by submitting the enrollment form with the appropriate payment. The enrollment form and description brochure will be available before August 1st online at www.uhcsr.com/kbor (select your university) or by calling 1-888-344-6104.

Buy the insurance online at www.uhcsr.com/kbor or remit the enrollment form along with the correct premium payment to UnitedHealthcare StudentResources, P.O. Box 809026, Dallas, TX 75380-9026.

Where can I get more information about the benefits available?

Please read the certificate of coverage to determine whether this plan is right before you enroll. The certificate of coverage provides details of the coverage including costs, benefits, exclusions, and reductions or limitations and the terms under which the coverage may be continued in force. Copies of the certificate of coverage are available from the University and may be viewed at www.uhcsr.com/kbor. This plan is underwritten by UnitedHealthcare Insurance Company and is based on policy number 2017-200118-1. The Policy is a Non-Renewable One-Year Term Policy.

Who can answer questions I have about the plan?

If you have questions please contact Customer Service at 1-888-344-6104 or customerservice@uhcsr.com.

Student Health Center Information

This student health insurance plan is designed to coordinate with the services provided by the Student Health Center for students. Please check with your university's health center to determine whether spouses and/or dependent children are eligible to use the health center. The Student Health Center acts as a gatekeeper for the plan and can evaluate your condition and provide treatment or a referral to a specialist as necessary. The Student Health Center is staffed with professionals that are familiar with the unique needs of students and can meet most of the health care needs the student may have. Check to see what hours and what services are available. The treatment provided by the Student Health Center is of high quality and is cost efficient for the patient.

When possible, it is recommended that you go to your Student Health Center when seeking treatment.

Highlights of Services offered by UnitedHealthcare StudentResources

NurseLine and Student Assistance

Insureds have immediate access to nurse advice, a health information library, and counseling support 24 hours a day by calling the toll-free number listed on their medical ID card. NurseLine is staffed by both English and Spanish speaking Registered Nurses who can provide health information, support, and guidance on when to seek medical care. The Student Assistance Program coordinates services using a network of resources. Services available include financial and legal advice, as well as mediation. Counseling is also available by Licensed Clinicians who can provide insureds with someone to talk to when everyday issues become overwhelming. Translation services are available in over 170 languages for most services. Insureds also have access to LiveAndWorkWell.com where they can take health risk assessments, use health estimators to calculate things like their target heart rate and BMI, and participate in personalized self-help programs. More information about these services is available by logging into **My Account** at www.uhcsr.com/MyAccount.
