Who is eligible to enroll?

International Students with an F1 or J1 are automatically enrolled in this insurance plan at registration on a hard waiver basis. Students in Optional Practical Training (OPT), English as a Second Language students, and other certain approved program students are eligible to purchase the plan on a voluntary basis as long as they have a valid student visa. OPT students may enroll in this plan on a voluntary basis provided that the student was enrolled in the plan for the semester prior to OPT status and may enroll up to one additional year.

Eligible students may also insure their Dependents. Eligible Dependents are the student’s legal spouse (including a Civil Union partner) and dependent children under 26 years of age.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
   a. On the date the Named Insured acquires a legal spouse or Civil Union partner.
   b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of the Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.

### Highlights of Services offered by UnitedHealthcare Student Resources

#### Healthiest You: 24/7 Doctor Access

Starting on the effective date of your coverage under the student insurance plan, you have 24/7 access to medical advice through HealthiestYou, a national telehealth service.* By calling the toll-free number listed on the front of your medical ID card or visiting [www.telehealth4students.com](http://www.telehealth4students.com), you have access to board-certified physicians via phone and/or video, where permitted. This service is especially helpful for minor illnesses, such as allergies, sore throat, earache, pink eye, etc. Based on the condition being treated, the doctor can also prescribe certain medications, saving you a trip to the doctor's office. Using HealthiestYou can save you money and time, while avoiding costly trips to a doctor's office, urgent care facility, or emergency room. As an insured with StudentResources, there is no consultation fee for this service.* Every call with a HealthiestYou doctor is covered 100% during your policy period.

This service is meant to complement your Student Health Center. If possible, we encourage you to visit your SHC first before using this service.

HealthiestYou is not health insurance. HealthiestYou is designed to complement, and not replace, the care you receive from your primary care physician. HealthiestYou physicians are an independent network of doctors who advise, diagnose, and prescribe at their own discretion. HealthiestYou physicians provide cross coverage and operate subject to state regulations. Physicians in the independent network do not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. HealthiestYou does not guarantee that a prescription will be written. Services may vary by state.

*Available to Insured students and their covered Dependents ages 18 and over. If you call prior to the effective date of your coverage under the insurance plan, you will be charged a $40 service fee before being connected to a board-certified physician.
