2021-2022 Student Injury and Sickness Insurance **Plan for**

University of North Texas System – Health Science Center at Fort Worth – **Physician Assistants**

hsc the university of North Texas HEALTH SCIENCE CENTER at FORT WORTH

Student Insurance Plan

The rising costs of medical care have made the UNT System increasingly aware of the importance of adequate insurance to provide care when Injuries and Sicknesses require treatment.

The UnitedHealthcare Insurance Company Plan is specifically designed for the University of North Texas students. The Policy covers students who require hospitalization treatment for Injuries or Sicknesses.

Who is eligible to enroll?

All degree seeking domestic students enrolled in the Texas College of Osteopathic Medicine, School of Health Professions, and Doctor of Pharmacy program taking credit hours (regardless of class delivery method) at the University of North Texas Health Science Center at Fort Worth are eligible and required to purchase this plan on a hard waiver basis. All degree seeking domestic graduate students enrolled in 3 or more credit hours in the Graduate School of Biomedical Sciences and the School of Public Health, who are not part of a program that mandates coverage, are eligible to enroll in this insurance plan on a voluntary basis. Credit hour requirements can be met by a combination of online and on-campus credit hours, not to exceed 50% online.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse and dependent children under 26 years of age.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

- 1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
- 2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
 - a. On the date the Named Insured acquires a legal spouse.
 - b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of the Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.

Where can I get more information about the benefits available?
