2022–2023 Student Health Insurance Plan for Macalester College and Minneapolis College of Art and Design

Who is eligible to enroll?

All Macalester College and Minneapolis College of Art and Design students are automatically enrolled in this insurance plan at registration and the premium for coverage is added to their tuition billing, unless proof of comparable coverage is furnished on a hard-waiver basis.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

How do I waive?

Students who are currently enrolled in a health insurance plan of comparable coverage to the Macalester College or Minneapolis College of Art and Design Student Health Insurance Plan and is in effect until August 19, 2023 can elect to waive the Student Health Insurance Plan.

Recognizing that health insurance coverage may change, at the beginning of each academic year students will be asked to provide proof of comparable coverage to Macalester College or Minneapolis College of Art and Design in order to waive coverage.

Waiver Process

If you determine your coverage to be comparable and would like to waive the student health insurance plan:

If you are a Macalester College Student:
1. Go to www.gallagherstudent.com/macalester
2. Under “Profile”, Enter your email address and click LOG IN
   First Time Users: An email from Gallagher Student Health will be sent to you student email with a temporary password. Click on the link provided in the email and insert the temporary password. (If you did not receive a temporary password, you can choose the ‘Forgot you password?’ option on the login page).

If you are a Minneapolis College of Art and Design Student:
1. Go to www.gallagherstudent.com/MCAD
2. Under “Profile”, Enter your email address and click LOG IN
3. First Time Users: An email from Gallagher Student Health will be sent to you student email with a temporary password. Click on the link provided in the email and insert the temporary password. (If you did not receive a temporary password, you can choose the ‘Forgot you password?’ option on the login page).
Immediately upon submitting your waiver request, you will receive a confirmation number indicating that the form has been successfully submitted. Print this confirmation number for your records. If you do not receive a confirmation number, you will need to correct any errors and resubmit the form. The online process is the only accepted process for waiving the Student Injury and Sickness Insurance Plan.

Macalester College and Minneapolis College of Art and Design reserves the right to audit and subsequently reject a waiver request. If it is determined that a student waived coverage with a health insurance plan that was not comparable coverage, the student will be automatically enrolled in the Student Health Insurance Plan.

International students can only waive the Student Health Insurance Plan if they are covered by an insurance plan comparable to the Student Health Insurance Plan and the insurance carrier is based in the United States.

In the event that a student waives the Student Health Insurance Plan and then loses their current coverage due to a qualifying event, (i.e. parent loss of coverage or the maximum age limit available is attained), students have the right to petition to add coverage within 31 days of the qualifying event. If the petition is received within 31 days of the qualifying event, there will be no break in coverage. For petitions received after the 31 days, the effective date of coverage will be the date that the petition is received at Gallagher Student Health & Special Risk. If approved, the premium will not be prorated.

**Waiver Deadline**

The deadline for students to complete the Macalester College Decision form is August 17, 2022 for annual coverage. Students who waive the Student Health Insurance Plan in the fall waive coverage for the entire policy year.

The deadline for students to complete the Minneapolis College of Art and Design Waiver form is August 1, 2022.

The Online Waiver process is the only accepted process for making your insurance selection. Students who do not submit the Online Waiver Form by the deadline will remain enrolled in and billed for the Student Health Insurance Plan.

2. If rates have not been negotiated, then one of the following amounts:
   - Allowed amounts are determined based on 140% of the published rates allowed by the Centers for Medicare and Medicaid Services (CMS) for Medicare for the same or similar service within the geographical market, with the exception of the following.
