Who can enroll?
Undergraduate students taking six or more units; Seniors with less than six units (one time exception) who are completing their final graduation requirements (documentation from advisor is required) and who had the Student Health Insurance the previous semester; Graduate students taking three or more units or one dissertation/thesis unit; Graduate non-degree students taking at least nine units, or be accepted to a degree/certificate program (documentation of acceptance is required) and be taking at least six transferable units; Post-Doctoral Fellows, J-1 Visiting Scholars, or J-1 Student Interns are eligible to enroll in this insurance Plan; All international students on a non-immigrant visa are automatically enrolled in this insurance Plan at registration.

The student (Named Insured, as defined in this Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

Medicare Eligibility
Any person who has Medicare at the time of enrollment in this student insurance plan is not eligible for coverage under the Master Policy.
If an Insured Person obtains Medicare after the Insured Person is covered under the Master Policy, the Insured Person’s coverage will not end due to obtaining Medicare.

As used here, “has Medicare” means that an individual is entitled to benefits under Part A (receiving free Part A) or enrolled in Part B or Premium Part A.
