☐ I elect to purchase Injury and Sickness insurance coverage under the University's student insurance plan. Below are the choices I have made.

**Eligibility:** All Insured Persons who have been continuously insured under the school's regular student policy for at least one semester and who no longer meet the eligibility requirements under the Policy are eligible to continue their coverage for a period of not more than 90 days under the school's policy in effect. If an Insured Person is still eligible for continuation at the beginning of the next Policy Year, the Insured must purchase coverage under the new policy as chosen by the school. Coverage under the new policy is subject to the rates and benefits selected by the school for that Policy Year.

PLEASE CHECK ALL APPROPRIATE BOXES.

\*PLEASE NOTE: The Continuation Privilege will allow you to purchase up to a maximum of 90 days, but not longer than the current plan year. Incorrect payment amounts will be returned and no coverage will be in effect.

If the student is still eligible for continuation at the beginning of the next Policy Year, the student must purchase any remaining months of coverage (90 days of coverage less any months of coverage in the previous Policy Year) under the new policy as chosen by the school.

Coverage under the new policy is subject to the rates and benefits selected by the school for that Policy Year. Incorrect payment amounts will be returned and no coverage will be in effect. Coverage is effective immediately following the expiration under the previous continuation plan and must be purchased within 31 days after the expiration date of your previous continuation coverage. If premium is not received within 31 days, the premium will be refunded.
