

2025-2026 Student Health Insurance Plan for Undergraduate and Graduate Students not eligible for GTA/GRA/GA coverage of the Kansas Board of Regents

Student Letter

Dear Student:

The Kansas Board of Regents (KBOR) in cooperation with the Regents Institutions of the State of Kansas, is pleased to offer to students, a Blanket Health Insurance Plan underwritten by UnitedHealthcare Insurance Company and Administered by UnitedHealthcare Student Resources.

Preferred Providers are members of the UnitedHealthcare Choice Plus Network. Additionally, for Pittsburg State University students, Via Christi Hospital is a Preferred Provider. These providers offer you superior access to a choice of qualified physicians, hospitals, and Preferred Provider network programs nationwide, while reducing the costs of your medical care with rates that are usually much lower than normal charges.

If you choose to seek treatment from an out-of-network provider, your benefits may be reduced.

Participation in this program is voluntary, except for Health Science students who are required to show proof of insurance; however, we encourage you to carefully read the entire booklet to familiarize yourself with the available plan and benefits. Any questions about this plan should be directed to UnitedHealthcare Student Resources at 1-888-344-6104.

Who is eligible to enroll?

The Master Policy covers students who have met the Policy's eligibility requirements (as shown below) and who:

1. Are properly enrolled in the plan, and
2. Pay the required premium.

Domestic undergraduate degree seeking students who are enrolled during Fall and/or Spring semester who are taking 6 or more credit hours (3 or more credit hours during the Summer Semester) or on a school approved/sponsored internship are eligible to enroll in this insurance plan.

Domestic Masters Students taking three credit hours per semester or participants in a school approved/sponsored internship, Doctoral students, and Post Doctoral fellows are eligible to enroll in this insurance plan.

Domestic Health Science students who are required to have health insurance may be eligible for a plan designed for them. International students may be eligible for a separate plan designed for them.

Students who have at least a 50% graduate teaching assistant, graduate research assistant, and/or graduate assistant appointment may be eligible for a separate plan designed for them. Information is available in graduate teaching assistant, graduate research assistant and graduate assistant health insurance brochure or on-line at www.uhcsr.com/kbor.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

Medicare Eligibility

Any person who has Medicare at the time of enrollment in this student insurance plan is not eligible for coverage under the Master Policy.

If an Insured Person obtains Medicare after the Insured Person is covered under the Master Policy, the Insured Person's coverage will not end due to obtaining Medicare.

As used here, "has Medicare" means that an individual is entitled to benefits under Part A (receiving free Part A) or enrolled in Part B or Premium Part A.

How do I enroll?

All students complete enrollment by submitting the enrollment form with the appropriate payment. The enrollment form and description certificate will be available before August 1st online at www.uhcsr.com/kbor (select your university) or by calling 1-888-344-6104.

Buy the insurance online at www.uhcsr.com/kbor or remit the enrollment form along with the correct premium payment to UnitedHealthcare Student Resources, P.O. Box 809026, Dallas, TX 75380-9026.

Where can I get more information about the benefits available?

The certificate of coverage provides details of the coverage including benefits, exclusions, and reductions or limitations and the terms under which the coverage may be continued in force. Copies of the certificate of coverage are available from the University and may be viewed at www.uhcsr.com/kbor.
