Who can enroll?

All California State University international students, scholars, visiting faculty or other students with a current passport or non-immigrant visa are eligible and required to enroll in coverage under the Policy, provided that they are temporarily located outside their home country or country of residence and have not been granted permanent residency status in the U.S., are not U.S. Citizens (Dual Citizenship excluded), and are engaged in educational activities through the University.

Participants engaged in Optional Practical Training (OPT) or Academic Training (A/T), are eligible for coverage on a voluntary basis, if the OPT/AT training follows a course of study, the Participants enroll in the plan no later than 30 days after the previous insurance coverage period ends, the Participants maintain their valid visa status, and the coverage period is no longer than 12 months in duration (24 months for STEM OPT).

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse or Domestic Partner and dependent children under 26 years of age. See the Definitions section of the Certificate for the specific requirements needed to meet Domestic Partner eligibility.

The student (Named Insured, as defined in the Certificate) must actively attend classes in compliance with the Policyholder's attendance requirements for at least the first 31 days after the date for which coverage is purchased. Home study, and correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. In the absence of fraud or intentional misrepresentation of material fact, if and whenever the Company discovers that the Policy eligibility requirements have not been met, coverage will be cancelled immediately. Unearned premiums will be refunded.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
 - a. On the date the Named Insured acquires a legal spouse or enters into a Domestic Partnership with a Domestic Partner who meets the specific requirements set forth in the Definitions section of the Certificate.
 - b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of the Certificate.

Limited Termination Privilege

The Named Insured has the right to request termination of their coverage during the Policy Year if the Named Insured:

1. Graduates.
2. Takes a leave of absence.
3. Is no longer enrolled as a student at the school (i.e. the Policyholder) that purchased this Policy from the Company.

The Named Insured must request termination from the Policyholder at least 30 days before the effective date of the termination. The Policyholder shall terminate coverage during the same calendar month as the request, if feasible, but no later than the last day of the calendar month in which the 30-day period ends. The Named Insured is only responsible for premium through the date of termination. If the Named Insured has paid premium for the full Policy Year, they will receive a pro rata refund for any time they are not enrolled under the plan.

Dependent eligibility expires concurrently with that of the Named Insured.
